## Wall Charger PD 20W + QC 3.0 18W

H-20W03

**20w**

PD  
USB-C port

4  
types of  
protection

**QC3.0**

Quick Charge  
18W

- Powerful adapter with fast charging function
- USB-C port, PD - 20W
- USB-A port, QC 3.0 - 18W
- Autodetection of an optimal current parameters for each charged device
- 4 types of protection
- Input: AC 100-240V

- Output 1: USB-C PD port, DC 5V/3A, 9V/2.22A, 12V/1.67A
- Output 2: USB-A port, DC 5V/3A, 9V/2A, 12V/1.5A
- Compatible with most smartphones, mobile phones, tablet, PSP, GPS, Cameras, MP3, MP4, PDA etc.
- Certifications: CE, RoHS

This AC adapter with Quick Charge 3.0 and Power Delivery protocols automatically detects the voltage and amperage required for a connected gadget. Thus, the adapter charges devices three times faster while protecting them from overheating and extending the battery life of your gadget. The adapter is protected from short circuit, overcurrent, overheating and overvoltage.
