This speaker will add a festive mood to your home party and picnic! Deep surround sound combined with stylish lighting will create a lively atmosphere for relaxation, training, or friend meeting. The speaker is compatible with Windows, iOS, and Android and supports four connection types - Bluetooth, FM, AUX, USB - a full range for control and usage. Wireless connection Bluetooth 5.0 provides high-quality music signal transmission at high speeds at a distance of up to 10 meters while saving battery power. The optimal size and the shoulder strap allow you to easily carry the speaker to a picnic or country house and arrange nice outdoor parties.
