This travel backpack Canyon CNE-CSZ01GY01 with a generous capacity of 20 litres is perfectly designed for multiple airlines to be within the weight and size rule. This carry on backpack Canyon comes in the size 20x25x40 cm to meet the general requirement for hand luggage of the most low cost airlines. Durable fabric, hidden main zipper and pocket for documents do not let an intruder open your bag without your awareness. It's not only stylish, but comfortable and practical as well. It has a separate 15,6" laptop internal pocket and a small internal compartment for all your documents, soft and ventilated backside and shoulder straps with an additional space for any carabine, bottle or glasses. Place the backpack under your seat of any airline companies and enjoy your travel, and Canyon will care about your convenience and the safety of your belongings!
