Designed for Apple

This 2 in 1 wireless charger Canyon CNS-WCS202B will allow you to charge your gadgets quickly and safely and get rid of unnecessary wires on your desktop. You can charge 2 devices simultaneously. Thanks to the intelligent «Blande» chipset, each device will be assigned the optimal power capacity. As a result, gadget batteries will not overheat, which means they will last much longer. The charging station for multiple devices CNS-WCS202B is compatible with any smartphone, including Apple iPhone or Samsung and AirPods or any earbuds that support the Qi standard. A sufficient charging distance up to 7 mm allows you to charge your phone without removing the case. The device is equipped with a USB-A to USB-C cable, USB 2.0. An excellent gadget for those who love order and appreciate minimalism!
