

# TRUE WIRELESS STEREO HEADSET ONGO 10 ANC

Have you already tried true wireless earphones? There is a chance you won't look back with Canyon OnGo 10 earbuds. With the energy-efficient BT 5.3, they offer long playtime and stable connection to your device even if you're not close.

Perfect for music and calls thanks to four microphones: active noise canceling ensures you hear what you want to hear. Besides, it is activated automatically in-call. OnGo 10 earbuds are controlled by touch and have a voice assistant to inform you about the status of your earphones.

The case supports Quick Charge technology. You can get a full charge for your earphones in just 50 minutes.

Elegant and ergonomic, these TWS earphones do look great in any color: rich gray, deep purple, or beige. We added earcaps in three sizes to make the fit ideal for you. Pick one today and bring joy to your ears!

## FLAWLESS SOUND

OnGo 10 provides full-fledged stereo audio at all times. Enjoy music, listen to podcasts and audiobooks, make calls – all that with the perfect sound quality.

## LET'S TALK

Thanks to Environmental noise cancellation function, these Canyon earphones ensure the clarity of sound and speech, making them an excellent choice for calls and meetings.

# ACTIVE NOISE SUPPRESSION

Four microphones are used to suppress surrounding noise and enhance your speech. Hear sounds, not noises.

## TOUCH CONTROL

Use intuitive touch-sensitive surfaces to control playback, answer calls, and toggle the transparency mode.

## QUICK CHARGE

With 80mA QC capabilities, your earbuds will recharge in no time. It takes only 50 minutes till the full charge!

## BEAUTIFUL COLORS

Available in beige, deep purple and rich gray. Bring some style into this world!

## STABLE CONNECTION

BT 5.3 guarantees stable connectivity and long range while being energy-effective. Also, the latest protocol provides low latency and up to 10 meters of range.
