Magnetic phone holder with button for car air vent

Make sure you can see and reach your phone while you're driving your car. Place it on this tiny magnetic holder and mount it on an air vent. Use a built-in button to lock the holder to the mount and unlock it. 4 powerful magnets will firmly hold your smartphone with the ability to rotate it by 360 degrees. 2 sticky metal plates are included into the package to make the holder compatible with all modern smartphones.
