## Lightweight Double-USB Wall Chargers

These basic and lightweight in-wall power adapters are compatible with all gadgets and devices compatible with USB. Dual-USB output provides the safest performance and saves your time allowing to charge two devices simultaneously at decent speed.

### Smart IC Technology

Built-in smart chip detects a type of charged device and delivers optimal electric current. Fastest charge and economy guaranteed!

### Model

CNE-CHA02B

Black

5291485003289

### Features

- 2 USB Ports
- Input: 100V-240V
- Output: 5V-2400mA
- Level 5 energy saving
- Smart IC Technology
- Over voltage protection
- EU plug
