## Kids watch with improved tracking

All parents want to keep their children safe and to control their children while being away. This smartwatch is packed with important features like SOS button, location tracking, GPS, voice messenger, and two-way mobile calls. Water-resistance will keep the watch safe when kids are having fun. The interface is simple and would not distract a child during classes.

### Key Features

- GPS, LBS and WPS
- Two-way phone calls
- SOS-button
- Voice messaging
- Remote monitoring
- Pedometer
- Water resistance IP68 (full protection)
- Hypoallergenic strap
